

## UNCT PVE Workshop, Amman

26 September 2018

### Objectives

The objectives of the training are to:

1. Share perspectives of the priorities and challenges related to PVE programming in Jordan;
2. Share experience and deepen understanding on impact measurement for PVE programmes – challenges, principles, strategies, methods and tools (using the Toolkit as a basis);
3. Develop and refine indicators for M&E frameworks relevant to agencies' work on and related to PVE across the UNCT (using the Indicator bank of over 190 PVE-relevant indicators).

### Agenda

Timing	Session Title
8.45-9.00	<b>Arrival</b>
Session 1 09.00 – 09.30	<b>Welcome and setting the scene.</b>
Session 2 0930 - 1000	<b>Introduction to the Toolkit: Addressing the challenges and sharing good practice in design, monitoring and evaluation (DM&amp;E) for PVE</b>
Session 3 10.00 -11.00	<b>Priorities and challenges related to PVE measurement programming in Jordan: Addressing gaps and identifying strategies to improve measurement of impact</b>
11.15 – 11.30	<b>Coffee break</b>
Session 4 11.30 – 12.30	<b>PVE Programming: Targeting, identifying success and theories of change</b> <i>Using case studies from Jordan and other relevant contexts participants will explore issues of targeting in PVE programmes, identifying realistic and measurable change in the PVE context and reviewing theories of change.</i>
12.30 – 13.30	<b>LUNCH BREAK</b>
Session 5 13.30 – 15.00	<b>Developing M&amp;E Framework for PVE Programmes – Identifying and establishing baselines</b> <i>Focusing in on relevant themes and sectors for UNCT in Jordan and using case study examples, participants will identify and prioritise contextualised indicators for PVE work related to: addressing root causes; building national and local capacities in PVE; empowering young people as actors in PVE; reintegration of former fighters; supporting human rights and the Rule of Law, and other areas.</i> <i>Participants will discuss how to overcome common challenges related to incomplete or gaps in baseline data and identify strategies for data collection related to baseline data.</i>
15.00 – 15.15	<b>Coffee break</b>
Session 6 15.15 – 16.30	<b>Developing M&amp;E Framework for PVE Programmes – Monitoring and data collection</b> <i>Building on the previous session participants will explore how to integrate best practice related to monitoring gender, context and risk in PVE programmes.</i>
Session 7 16.30 – 17.00	<b>Wrap up and next steps: Integrating learning into existing and new UNDP PVE programmes in Jordan</b>
17.00	<b>Close</b>
