

**Arab States Regional Exchange on design, monitoring and evaluation for PVE programmes**

The objectives of the 1.5 day workshop are as follows:

1. Sharing learning and good practice on PVE DM&E, with a focus on monitoring tools, data collection and impact evaluation;
2. Applying learning on how to monitor PVE programmes to UNDP PVE projects in the Arab States region;
3. Exploring common indicators for UNDP PVE projects in the Arab States region.

The workshop is an opportunity to share experiences, challenges and learning on DM&E for PVE and work practically on developing indicators and monitoring plans for UNDP PVE Projects in the Arab States Region.
